Dear Santa,
This year I would like to be able to go and see Star Wars and get some of the Star Wars stuff. Can I also have Teenage Mutant Ninja Turtle stuff too? I have been a good boy this year. I bet you will like Aunt Mae's pretzels again. We made them!
Love, Tanner

Merry Christmas Santa!
My name is Aliza and I am 5 years old. This year I would like to have a Baby Alive this year. And please please please pray for some snow! My sister is Brenna and she is 2 years old. She wants a You and Me Baby doll and stroller.
Love,

Dear Santa,
Merry Christmas from Apollo not the outer space one but the town. I have tried to be a good girl and go to bed on time just like my parents ask. I would like an Easy Bake Oven in purple and a Cotton Candy Maker for Christmas.
Love,
Alicen

Dear Santa,
I would like to have a Kitty named Sparkle for Christmas and a new box with lots and lots of play toys for us to have fun with. I will take really good care of her and give her baths all the time.

Dear Santa,
Will will leave you cookies and hot chocolate and Dad is leaving you a drink to just incase it is bad out. I would like a dirt bike to ride with my Dad at Paps. Mom says I need a helmet to. Merry Christmas and maybe I will get to see you!

Dear Santa,
This Christmas there are many things I could ask for that I don't think may be possible. I would like for war to be ended, a personal chef, a unicorn, my favorite football team to actually be good, and time to play Fall-out 4. Since most of these are impractical I will settle for socks and underwear.
Sincerely,
Brandon (Applewold)
